Economics and Finance of Macao Economy

Submission deadline: 28 February 2026

The primary goal of this Special Issue is to stimulate original research on economic and financial issues related to the Economy of Macao. It aims to curate a collection of papers that will generate insights relevant to policymakers and further invigorate research in this area.

Guest editors:

Joshua Chan, Purdue University, Lafayette, Indiana, USA

Rose Neng Lai, University of Macau, Macao, China

Special issue information:

While this Special Issue welcomes papers on any economic and financial issues related to Macao, submissions that explore empirical questions using Macao's data are especially encouraged.

Manuscript submission information:

To submit your paper to this Special Issue, please visit the [Economic Modelling journal's online submission platform](#) and select the article type "VSI: Macao Economy."

Submission Open Date: 01 July 2025

Submission Deadline: 28 February 2026
